Superintendent's Highlights

The board reviewed and revised its policy manual. The new manual has been adopted.

Again this year, the district did well on the Direct Writing Assessment. The high school had 96% of the juniors who took the test pass with a score of 3 or greater. The previous year the district had a 100% passage rate.

The district received a generous donation to develop a new football and soccer field. The new fields, which are built on new property, provide the district with the opportunity to explore solutions for problems caused by increased enrollment at its current site.
